

Solar Works for Minnesota

Good Jobs, Clean Energy

Brighten up, Minnesota!

Do you love solar energy?

Do you want more of it in your community?

Are you curious about the future of solar in Minnesota?

Join us for an in-district meeting with Senator Katie Sieben and Representative Denny McNamara. **Learn** more about proposed legislation to increase solar on Minnesota's schools, city halls, and hospitals. **Engage** with legislative leaders to learn more about the 2012 legislative session and how we can move solar forward in Minnesota.

SOLAR WORKS FOR MINNESOTA EVENT WITH SENATOR KATIE SIEBEN AND REPRESENTATIVE DENNY MCNAMARA

7:00 PM Tuesday, January 31

Pleasant Hill Library

1490 South Frontage Road

Hastings, MN 55033

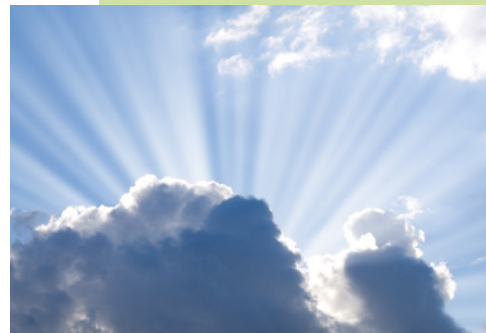

651-438-0200

The Solar Works for Minnesota Coalition is businesses, consumers, labor groups, the solar industry, and clean energy advocates working collaboratively to advance solar in Minnesota

WWW.SOLARMN.ORG

WHY SOLAR?

- **Energy Independence:** Utilize a vastly untapped source of abundant, local, home-grown Minnesota energy

- **Jobs:** Harness the job creation and economic benefits of the solar industry for Minnesota
- **Clean Energy:** Provide a clean, affordable source of energy for Minnesota's residents
- **Clean Air and Water:** Reduce the amount of pollution in our air and water by reducing the need for more dirty energy technologies
